Banksia Park School R-7 will receive $11524

This funding is intended to contribute to:

Our strategy will be to:

Illustrative examples:

- Further continue the work that we commenced in 2015 with QuickSmart Maths program. Funding will go toward employing SSOs to run the program so that identified students can make positive growth in the area of Maths and Numeracy.
- Funding will go toward providing targeted intervention to students in Literacy. We will further implement Multi Lit and targeted Comprehension groups of students to a wider number of students in 2016, who do not qualify for DECD funding. This money will spent on SSO hours to employee staff to run these intervention programs.

A description of the planning and monitoring associated with these strategies will be included in the 2016 School Annual Report.
